SUBJECT: ADULT AND DISLOCATED WORKER SPLIT FUNDING FOR PY 2000

The Department of Labor (DOL) has informed the states that the Workforce Investment Act (WIA) funding for the Adult and Dislocated Worker components for Program Year (PY) 2000 (July 1, 2000, to June 30, 2001) will be provided in two separate allotments because that is how Congress appropriated it. This information was transmitted by DOL in Training and Employment Guidance Letter (TEGL) 5-99, *Workforce Investment Act (WIA) Allotments for PY 2000; and Wagner-Peyser Act Preliminary Planning Estimates for PY 2000*. **Therefore, Local Workforce Investment Areas (LWIA) will be receiving two separate allocations for these WIA components.**

The first allocation, beginning July 1, 2000, will be for 25 percent of the Adult funds and 33 percent of the Dislocated Worker funds. It will be labeled as PY 2000 funds. The remaining 75 percent of the Adult funds and 67 percent of the Dislocated Worker funds will not be available for use until October 1, 2000. This allocation will be labeled as Federal Fiscal Year (FFY) 2001 funds. The **total** funding allocated to each LWIA for PY 2000 remains the same as announced on May 17, 2000, in WIA Information Bulletin WIAB99-14, *PY 2000/2001 Planning Allocation Information*.

Split funding for these program components has major implications for participant and fiscal reporting, cost compliance, funds utilization, administration limits, transfers, subgrant formats, grant codes, and participant tracking. A directive that addresses these issues is being prepared now.

If you have any questions, please contact your program manager.
